### This week's Prayer focus:

'In the beginning God created the earth...' Today we thought about Earth Day (22 April) and how we need to protect our precious planet.

### Fabulous Fundraising!!

What an incredible amount raised by the children, staff and community over the 5 week period during Lent for the 6 different charities. Thank you so much for everyone's support! A huge well done to everyone who collected litter for our Chaplaincy Challenge—we smashed the 150 bags target!!

“You all work so hard and our children get the best opportunities out there”

“The children are so lucky”

Part of the feedback related to some parents feeling they are unsure about exactly what is offered so to that end we will share the termly clubs timetable on the newsletter at the start of each term.

As always, letters for the new term clubs will be sent home soon for parents to request places. If you have any queries about any aspect of our provision please contact the office. Mrs Denton has spaces in her Dance and Drama club for children in Years 1—6.
