

July Newsletter 2023

Dear Parent/Carer,

Welcome to our July newsletter. Can you believe we are almost at the end of the year, only 3 weeks left, where has the time gone! Let's hope the weather picks up and we can get back to enjoying the outdoors each evening until we finish.

Registration Forms

Thank you to those that have already returned their child's up-to-date registration form. Just a quick reminder to those who haven't, to check, sign, date and send them back in please. If we do not receive your child's form back in and you have booked a regular place or you require ad-hoc sessions in Keys Club, you will not, unfortunately, be able to attend, so it is imperative that you return it to school as soon as possible. Your co-operation is greatly appreciated.

Food Art Competition

The Food Art Competition was a great success with so many of our children taking part. A huge thank you to all the parents/carers for providing all the ingredients needed. The children had a super time and created some lovely 'pictures' with their food stuffs, making it a tough decision to choose a winner. Well done to Arthur and Luke our KS1 and KS2 winners.

Activities

We still have lots and lots of planned outdoor activities we are hoping to 'cram in' before the end of the year. Activities this month will include: whack-a-rat, bubble play, tug-o-war, Summer mocktails, netball, tennis competition, Nerf gun challenge, ice cream challenge parachute games, gardening, a movie night and much more.

Fare well year 6

I would like to take this opportunity to say a huge good luck and farewell to all our year 6 children. We hope your transition into high school is seamless and that you enjoy all the opportunities that it has to offer. We wish you every success in the future - make sure you come back and see us.

Change of Days/Extra Days

If you need to change your days in Keys or add extra days, please can you do this via the webpage – jotter form. Alternatively, you can email directly at keysclub@stpetersrc.lancs.sch.uk. Please note that sessions are only guaranteed once you have received a reply email confirming the days.

Thank you!

As it is our final newsletter of the school year, I would just like to take this opportunity to thank all the parents for your continued support and also to the amazing staff team at Keys that help to ensure that things run efficiently and smoothly, I could not do it without you all. Thank-you!
